

**REMARKS/ARGUMENTS**

Claim 7 is amended to correct the informalities as identified by the Examiner in the Office Action dated March 20, 2007. Claims 14 and 15 are newly added to recite limitations now deleted from previously presented claim 7. No new matter is added. Entry of the above amendments is respectfully requested. Upon entry of the above amendments, claims 1-3 and 5-15 are pending. Reconsideration of the present application is respectfully requested.

Claim 7 has been rejected under 35 U.S.C. § 112, second paragraph, as being indefinite. Several deficiencies were pointed out by the Examiner. All of the specified deficiencies have been corrected in the amended version of claim 7 presented above. All the corrections are believed to be self-explanatory.

Claims 1-3, 5, 6 and 9-13 were also rejected under U.S.C. § 112, second paragraph, but based only on their being dependent from claim 7 and due only to the deficiencies in claim 7. With the correction of those deficiencies, claims 1-3, 5-7 and 9-13 are believed to be in full compliance with this statutory provision.

Claim 7 has been indicated as being allowable over the prior art. Thus, it is now in condition for allowance.

Dependent claim 1-3, 5, 6, and 9-15 are allowable along with claim 7.

Based on all of the above, prompt and favorable action toward allowance of the present application is respectfully solicited.
